Form 990, Part III, Line 1, Description of Organization Mission:						
Our vision is that all children receive the healthcare they deserve and						
need to thrive and succeed. Through our Healthy & Ready to Learn						
program, public health initiatives, policy and advocacy work, response						
to public health crises, and the work of our National Network partners,						
we provide support and access to comprehensive healthcare services to						
children living in under-resourced communities throughout the United						
States.						

Form 990, Part III, Line 4a, Program Service Accomplishments: The increase in individuals corresponded with an almost 15% increase in medical visits, likely a result of easing COVID-19 concerns due to vaccination and declining infections.

Expanded Access to Care - In 2022, CHF produced health education materials on subjects critical to the well-being of children, such as managing asthma and supporting children's social-emotional learning. A series of virtual discussions with special guestsincluding experts from the frontlines helped CHF address issues that children across our country face daily.

To supplement our internal capacity to contribute to evidence-based practices, CHF created the research accelerator cohort, which leverages the participants' expertise to develop large-scale, mission-critical, cross-site research proposals. This cohort brings innovative

research agenda. In 2022, the cohort developed three research projects					
determined by participants' shared interests. The research project					
topics included childhood mental health, trauma, and asthr	na.				

CHF continues to monitor and respond to health reform implementation and advocate for health equity and social safety net programs and funding.

Public Health Crisis Response - In 2022, the Children's Health Fund's public health crisis response continued to focus on recovery from the COVID-19 pandemic. We supported mobile vaccine outreach and education, testing efforts, and large-scale community vaccination events that delivered 47,429 COVID-19 vaccines.

Form 990, Part III, Line 4b, Program Service Accomplishments: In 2022, HRL continued to observe that the interruption in routines due to COVID-19 has made it difficult for families to get back on track with attendance. In response to the school community's needs, the HRL team set about developing a routine workshop for students. HRL also found that schools continued to report teacher and staff burnout and ongoing challenges with school-family collaboration and communication. In response, HRL supported programming to address the mental health of all school community members, including workshops, family newsletters, and school-wide events. All new training and resources are offered on the Resource and Training Center website free of charge.
