CHF performs regular financial and clinical needs assessments of its grant recipients and maintains records to substantiate the grant amount. CHF reviews the distribution of annual awards to our ten partner organizations and reconciles awards with our accounting records. CHF assesses the needs of a program to provide core services as a primary care organization. Additionally, CHF supports enhanced medical home services, including mental and oral health care. CHF considers the costs the partner organizations require for core services, prioritizes our grant awards to maintain such services, and then does a similar process for enhanced services. CHF defines the impact of each program by monitoring encounter data and specific deliverables required from funding sources. To the extent partner organizations receive unrestricted funds, they must report their overall encounters bi-annually to CHF.

Form 990, Part III, Line 1, Description of Organization Mission:
Our vision is that all children receive the healthcare they deserve and need to thrive and succeed. Through our Healthy & Ready to Learn program, public health initiatives, policy and advocacy work, response to public health crises, and the work of our National Network partners, we provide support and access to comprehensive healthcare services to children living in under-resourced communities throughout the United States.

Form 990, Part III, Line 4a, Program Service Accomplishments:
Children's Health Fund sees steady annualized growth each year through expanding our national network of clinical sites, adding innovative programming, and responding to public health crises. In 2024, CHF served 22,743 children and families with 465,215 healthcare visits across 15 states, Puerto Rico, and Washington, D.C. This included 39,264 mental health visits, 41,896 dental visits, and 162,416 vaccinations. Services are delivered through 50 fully equipped mobile medical clinics, telehealth, and nearly 500 school- and community-based clinics, ensuring children in urban, suburban, and rural areas receive care where they live, learn, and play.

CHF continues to monitor and respond to health reform implementation and advocate for health equity and social safety net programs and funding.

Form 990, Part III, Line 4b, Program Service Accomplishments:
In 2024, HRL continued to respond to growing behavioral and mental health needs, with a strong focus on building meaningful homeschool partnerships and supporting a positive school climate. The program expanded its presence in early childhood care and education settings by developing and delivering content tailored to caregivers of children ages 0- 5. This included interactive wellness workshops, health education, and the integration of practices that promote healthy development. HRL's online resource and training center remained an active hub for professional development, family-friendly resources, newsletters, and accessible wellness tools for both educators and caregivers.

Form 990, Part III, Line 4c, Program Service Accomplishments:
In 2024, CHF's Public Health Initiatives department implemented three Community Health Equity and Engagement Roundtables (CHEERs) in underserved communities nationwide, engaging 56 multi-sectoral stakeholders. The CHEERs gather local stakeholders from various sectors to identify localized social drivers of health and collaboratively strategize initiatives to address these challenges. The roundtables position patients, families, and youth as key stakeholders among healthcare professionals, policymakers, and social service organizations to drive community-based change.

In 2024, CHF introduced the Community Compass--a novel initiative that engages communities to identify needs and priorities in order to inform the development of a mobile health program. The Community Compass

CHF hosted three Community Compasses in 2024.
